

Frederico Pedro Nunes BIO

Frederico Pedro Nunes joins Vilamoura World as Chief Development Officer. With over 10 years' experience in international project management and business development in several businesses – retail, hospitality, industrial, residential, hospital & health care and corporate offices.

Prior to joining Vilamoura World, Frederico was for 5 years Head of Real Estate & Project Management in the Sacoor Brothers Group, directly responsible for new construction & remodels of retail stores, corporate offices, apartments and luxury hotels. Developed, planned, organized, and managed activities related to the business model, feasible studies, financing, design, construction and management of more than 50 new retail stores or remodels and corporate offices in Portugal, UK, Belgium, Spain, UAE, Qatar, Bahrain, Kuwait, Singapore and Malaysia.

From 2002 through 2010, Frederico was the Project Director in an international AEC firm, IDOM, where he was in charge for the daily management, supervision, coordination and completion of multidisciplinary projects (design phase and / or construction management), ensuring compliance with deadlines and the scope agreed with clients, and respecting the profit margins set by the company for each project.

Frederico Pedro Nunes holds a Master in Construction degree and a Diploma in Territorial Engineering from Instituto Superior Técnico, a Certificate in Project Management Professional (PMP) from Universidade Católica Portuguesa and an Executive Management Program degree from Nova Business School. He is fluent in Portuguese, and able to conduct business in English and Spanish.
